Overview

Renaissance is a 39-metre **schooner** built in “**wooden composite**“, technology that combines the beauty and elegance of **wood** with the structural prowess of **fibreglass**. **Twin yacht** of the **recently sold** schooner **Andromeda**, Renaissance’s design is the work of a team of Italy’s leading pens. **Studio Faggioni e Della Rosa** created the hull, structure and plant, while **Nauta Design** styled the deck layout and interiors. Her masts, rigs and deck hardware as well as her engines, generators and onboard plant were supplied by leading international names: Caterpillar, Man, Kohler, Sparcraft, Furuno, Guggenheim, Miele... **Renaissance** can work as easily as **ultra-luxe private or charter yacht**. This **beauty** is ideal for **large groups** and conferences as well as personal and corporate events.
