SPECIFICATIONS

Overview

The CNB 76 Fifty Fifty sailboat was delivered in 1991 by the French yard Construction Navale Bordeaux. She is a sturdy, high-performance blue cruiser, featuring an aluminum hull with teak deck and Sparcraft aluminum mast and boom. The luxury 76 ft sailboat has been carefully maintained and upgraded, with particular attention to machinery, boat deck and navigation equipment. Fifty Fifty underwent an extensive, 2017-21 documented refit, including a full repaint of the boat hull, the replacement of bimini top and rigging, and the mast and boom repaint. CNB 76 Fifty Fifty has sleek, fast boat lines that accentuate her dynamic performance orientated character, not forgetting about comfort. The sail boat is equipped with extremely user-friendly systems, featuring state-of-the-art sail handling and a comfortable, modern cruising boat interior. This is light and welcoming with teak wood furnishings, whilst doorposts and frames have a glossy finishing creating a beautiful contrast effect. The 76 ft CNB sailboat Fifty Fifty can accommodate up to 8 guests in 4 cabins. She represents a fantastic opportunity to own a fabulously maintained sloop of pure quality.
