## Overview

---

Noema is a First 53 F 5 in a 4 cabin version. This Farr plan is a good walker in light and medium weather. Its name "First" is misleading because it no longer corresponds to the name of the current regatta range. It is rather a good multi-purpose sailboat. Noema her first 5 years in the West Indies - it was more a financial product of tax exemption !!). she is currently based in Saint-Malo, and is ready to sail for the West Indies or others. Cockpit table, forepeak for storage, large anchor locker, large water and fuel capacity, it is designed for the open sea as well as for enjoying life on board. Its equipment and configuration make it suitable for sailing in the sun (Caribbean, Mediterranean, etc...). Reasonable draft (2,45), new standing rigging. Its 4 independent cabins allow either for a "charter" type navigation or a comfortable trip for a family in need of space. Regularly maintained, she will seduce you with her spacious saloon and her great autonomy. An accompaniment of handing-over is possible. Noema is ready to sail away
