## Overview

---

The Eagle 38 is designed by Hoek design Naval Architects as a versatile weekender for coastal waters and internal lakes and waterways. The boat offers class and comfort and can be sailed single handed or with more hands if desired. Her comfortable and very spacious cockpit adds to the ease of handling. The cockpit table includes a cooling trunk and a small sink and tap, creating the perfect setup for socializing.

The interior is finished in varnished mahogany giving it an elegant and luxurious feel and offers accommodation for 3 adults by a double V berth forward of the mast and a full length bunk on starboard. To add some more comfort for weekend stays the cabin can also be equipped with a sink and a small cooker. The first yachts have been sold and will be on the water early 2019.
