SPECIFICATIONS

Overview

** In the water for the Winter in Newport, and available to show anytime, either in person or virtually **'Chapter Three' is on her third owner, and all three have been lifelong boaters who understand the importance of routine and preventative maintenance. This fine example of a well kept 42 Convertible was ordered new from the factory and has always been a Northeast boat...hailed, winterized and covered for 6+ months a year, hence her low hours for her age (1175). Continuous improvements and care are evident, including new canvas enclosure and aft cockpit cover, new flybridge carpeting, new salon carpeting, two new A/C units, new house batteries, extensive mechanical updates, etc.She features a two stateroom layout with head/vanity to stbd and private shower to port. Extensive electronics package including Autopilot, generator, 2-zone AC/Heat. Spacious & bright salon with rich cherry cabinetry, raised dinette area to port with sunken galley to starboard. Factory features like her molded flybridge stairs, large cockpit with transom door and swim platform, cockpit engine room access, sliding glass salon door, in addition to custom upgrades like an 800lb crane & dinghy cradle on the bow and her extended side deck railings make her an extremely comfortable flybridge cruiser. ** Tender on the bow shown in pictures is excluded from the listing.
