The Leader 33 benefits from a contemporary, sporty look that is the signature of the Leader line. This model is offered in two versions: an Open version with an arch, or a Sport Top version with an electrically opening hard top. The spacious cockpit allows you to entertain in comfort and style. You will particularly appreciate the attractive exterior living area and clever layout of the cockpit salon, where you can relax on the aft bench seat that transforms into a sundeck while sharing exceptional moments with friends and family around the table. Inside, the co-pilot bench (optional) converts to be part of the table or to face the sea, for shared navigation.
