## Overview

---

\*This listing is available for virtual and in person tours, please contact the listing broker to schedule an appointment\*"Elusive" is a fine example of the work of the Lewis Brothers from the shores of Harkers Island North Carolina. The now incredibly popular "Carolina Flare" styled hull originated on Harkers island and was introduced by the Lewis family. This 41 foot boat is really a commercial vessel disguised as a pleasure Sportfish. She is documented as a commercial vessel and carries Federal and Rhode Island Fisheries permits for Swordfish and Tuna. The hull was built in 2005 and she was fully outfitted in 2013."Elusive" is ready to launch and go fishing! Recent survey is available upon request. Please call or email to schedule an appointment to view this vessel.
