## Overview

---

\*This listing is available for virtual and in person tours, please contact the listing broker to schedule an appointment\*"Seawind" is a very clean and lightly used Island Packet 320 with recent improvements. Until 2017 this boat was only used seasonally in freshwater and to this date only has 500 hours on the engine. The Island Packet 320 is the result of many years of experience in designing and building sailing vessels by Island Packet Yachts. With a waterline of 27' and a beam of 11'9" this model has the interior room of the average 36' yacht making it a terrific family cruiser. The full keel design, relatively heavy displacement, completely roller furling rig and large inventory of equipment make this yacht an extremely good cruising value in today's market."Seawind" is currently stored for the winter and is ready and available for inspection. Please call or email to make an appointment to view.
