## Overview

---

\*This listing is available for virtual and in person tours, please contact the listing broker to schedule an appointment\*The Catalina 320 is a very roomy cruiser as it carries its beam well aft. Starting forward we have a large v-berth, aft to starboard is a U shaped dinette with a table that drops to make a large double berth, to port is a straight settee with shelves and storage outboard. Aft to port is a nav station, then a large U shaped galley. Aft to starboard is a large head with shower and then the spacious aft cabin. There are no other boats that give such a huge interior and capable sailing vessel in the 32 foot range. "Shenanigans" is a well equipped example of this popular model that is readily available for viewings by appointment.
