Overview

SINGOALLA is the second International Dragon to be registered in the United States. Originally build in Grimstad Norway in 1947 she went through an extensive structural restoration at East Passage Boatwrights in 2008 and was awarded Honorable Mention for Professionally Restored Sailboat at the 2008 Wooden Boat Show. She has been cared for exceptionally well over the past ten years and looks like the day she was launched. New Sitka Spruce mast built and all new standing rigging in 2008 during the restoration. Sail inventory includes Murphy & Nye Main, Schurr Sails Jib and Genoa and Spinnaker. Trailer included.
