# SPECIFICATIONS

---

## Overview

---

The S&S designed, Tartan 37 is a nice combination of performance and comfort. Designed by Sparkman & Stephens, 486 hulls from 1976 to 1988 were produced....'Finola' is hull # 147. Her shoal keel expands the sailing activity and the centerboard increases windward sailing ability and helm balance. The centerboard design is so simple that adjustment is easy and the pennant can be changed while the boat is in the water, if need be. Below she has a spacious interior that is tastefully completed in lush teak and private accommodations. Designed for off shore sailing or coastal cruising, the boat construction is excellent.
