SPECIFICATIONS

Overview

Update: June 2023 This boat is stored in Portland, ME. The Owner is selling due to some personal medical issues. He and the Yard are completing the work he has had to do. This Mason is now ready for showings. There is also a mooring available that could transfer with the sale of this boat. Please call and we will be ready to make arrangements for your inspection. The Mason 44 will always be a classic, ocean capable, highly regarded cruising sailboat. BRAVE HEART is the cutter rigged, aft cockpit version. The Al Mason series of sailing yachts has a firm reputation for quality, handsome looks, and good, safe sea-keeping capabilities. This model, Hull No. 145, with two heads and two staterooms and an aft cockpit appeals to sailors that feel most comfortable with the lower profile and steering from the helm, aft. These hulls were hand laid to Lloyd's +100A1 specifications. A user-friendly design with a draft of 6.25' and a mast of approx. 60' off the waterline, the boat is designed for blue water sailing and also ICW friendly. Please review the specs and call for an appointment to inspect this Blue-Water boat. Also, could be included and negotiated in the sale, is a 5000# mooring in Falmouth Foreside, ME, near the Portland Yacht Club. All ground tackle is in good order.
