Overview

Ferretti Yachts has put intuition, nautical ingenuity, and impeccable Italian design into the 88' flybridge motor yacht. "KAVITA" stands out with its teak wood, multiple decks, well designed cabins and innovative features throughout.

The master stateroom has been completely redesigned and has been transformed into one of the most beautiful master staterooms in any boat less than 100 feet. In the middle, separating his and her heads is a beautiful spacious shower along with a huge Tevco Jacuzzi that faces directly out to the large master windows.

An ultra-luxurious interior boasts wide windows, designer furnishings, and spacious dining and living areas.

"KAVITA" is well maintained, shows beautifully and has been thoughtfully upgraded to the highest standard. This 88' flybridge motor yacht is truly a must see at this price.
