### Major Engine Overhaul Done 10/2021

**RUNAWAY** is a 1986 Jim Smith Tournament 60' Convertible with a long history of famous owners and captains that have kept her in impeccable condition through her years (Formally **Off Season, MacDaddy, Exclusive Listing, Tsunami and Tracker**). She has won countless tournaments and was proudly cared for and maintained through her years. A true battle wagon with a pedigree to match. More importantly she is ready to go.

Present owner has spent well over a million dollars into her since refitting and upgrading her in highly reputable yards like American Custom Yachts and Bayliss. She has had major engine work done by Performance Diesel and Ace Marine to ensure she holds her value. She has a full time Captain on her that checks on her and maintains her daily.

Present owner has had an open checkbook with all the receipts and records to back her progress and a well cataloged suite of pictures. She is ready for her next tournament and next owner. Owner has his eye on his next custom build.
