SPECIFICATIONS

Overview

(LOCATION: Leesburg FL) The Fountain 38' features Center Console, and Triple Mercury 300s. This your basic Fountain go-fast fisherman, a great looking boat, a full-featured boat, and a very fast boat. She has a big cockpit, lots of features, and tons of power. What more can you ask of your basic fisherman?

The first thing you will notice is the Fountain high speed hull, this is a great looking boat. Next, unless you checked them out first, are the triple 300 Mercury Verado engines across the stern. What sense does it make to look good if you can't perform? These 300s are chip tuned for stage two performance. Ok, you want to fish. This Fountain is equipped to fish with: many rod holders, dual live wells, in-deck fish boxes, rod boxes, leaning post, rocket launchers, and fresh & raw water washdown. In order to fish you need to get there and back. In order to do that you need electronics like a Furuno open array radar and GPS. Other features include T-Top, helm seat/leaning post, forward console seat with under-seat cooler, and bow seating with removable cushions.

This 38' Fountain is powered by three 300-hp Mercury Verado engines. They let you cruise at 50 mph with a top speed of around 90 mph. This beauty has been dry stored, has been carefully maintained, is in great condition, and everything works. If you are looking for a fisherman that looks great and runs great, this is the boat for you. Call now for more information and schedule a showing.
