SPECIFICATIONS

Overview

Aventurais a well maintained, cared for, one owner Island Packet 465. This thoughtfully appointed vessel is a stunning live-aboard, blue water boat with the interior layout and the amenities below decks laid out with basic offshore seamanship foremost. On deck, you will find her most comfortable, accommodating and seaworthy. In general, the Island Packet 465 offers exceptional livability and practical cruising features coupled with impeccable craftsmanship and handsome good looks. The large center cockpit provides more than just a comfortable place for your crew to congregate. It provides a safe working area from which you can perform all the necessary adjustments underway. Wide side decks, strategically placed hand rails and recessed foredecks maximize your safety on deck. As beautiful as the 465 is to behold, it's even more appealing below decks. The expansive main salon boasts more than seven feet of headroom, a well-appointed combination of hand crafted teak furnishings, cabinetry and storage, a nav station that would excite any world cruiser, a gourmet galley fit for a master chef and two of the most spacious staterooms you'll find anywhere. Entering via the comfortably angled companionway steps, your attention will be drawn to full-length settees. The port settee extends to the centerline to make a double berth, and both settees can be used as sea berths. The large main dining table stows against a bulkhead wine rack, opening up the area for socializing. There is a smaller, removable table, which mounts on either side of the salon for added flexibility while dining or entertaining. CE Category A – Ocean rated safety windows provide a panoramic view and overhead lights and numerous reading lamps with individual dimmers are found throughout.
