SPECIFICATIONS

Overview

The Island Packet 38 was the first Island Packet model to feature two head compartments, setting the standard for all subsequent Island Packets by combining enhanced creature comforts with Island Packet's traditional seakeeping capabilities. This yacht has recently been updated and used only sparingly in recent years, and is a great opportunity to purchase a yacht capable of extensive coastal or long distance cruising, fully found and, to boot, a wonderful live aboard. LOLA has new topsides paint, new bottom paint, new rigging, sails, windlass, water heater, stove/oven and dinghy davits.
