## Overview

---

Built in Italy by Leopard in 2006 she is a modern, fast and sexy yacht that combines style and speed in equal parts. Following a major technical and aesthetic refit in 2019 and 2020, she is in absolute turnkey condition and is ready to be immediately enjoyed. Priced to sell, this pedigree yacht for sale has no equal on the market today. With powerful MTU 12V 2000 M91 - 1500hp engines, she delivers top speeds of 36 knots, cruising at 33 knots. Her lucky guests can enjoy the thrill of traveling at speed while enjoying luxury living on board. Boasting three en suite cabins plus one pullman bed, she can host up to seven guests. Accommodation includes the full beam master, with a raised bed, a double cabin and a twin with a pullman bed. Warm woods, marbles and colorful upholstery create a timelessly modern environment to relax in. Ultima Beach offers several on board spaces, making her a versatile design that can be enjoyed for a number of uses. Inside, the main salon is a welcoming space with u-shaped sofas that stretch down either side of the space, and four gloss wood coffee tables. The lower deck delivers more communal areas to enjoy, with a second lounge seating space, an entertainment system that includes a flat screen television, and a dedicated office/desk space. The lower deck is also home to the modern and spacious galley, which is fully kitted out with a wide range of equipment. Outdoor spaces are social and generously proportioned, with AV systems in every key area. Guests can relax and listen to music, while soaking up the sunshine on the vast sunbed to forward and aft. The aft sunbed can seamlessly convert into a raised al fresco dining set up with comfortable settee seating. The swimming platform and beach club are easily reached from the main aft deck via twin staircases – perfect for sampling the water or enjoying water toy. In 2019 an extensive list of work were completed including a new white paint hull and superstructure, one engine standard hover haul by MTU including MTU test bench protocol test & complete engine paint, the addition of modern WiFi, new electronics, exterior speakers. Recently serviced jets, she is truly in peak condition. Her design has proved very popular as a charter yacht, and she will suit those looking for a versatile charter asset. Commercially registered. For a private use, she has the VAT already paid.
