## Overview

---

Astondoa AS8 is the latest flagship in Astondoa's Flybridge range. The first unit will be available in Florida by the end of 2020. This new yacht is like a powerboat in a megayacht body, blending contemporary and functional design with sporty performance. Highly customizable - inside and out - this AS8 yacht is built to reflect each owner's style. The large luminous salon with full height windows forms a single, combined space with the galley, which can be fully equipped with U.S. appliances. The AS8 model offers enough room for you to entertain your family and many friends in four low deck ensuite cabins. All cabins provide generous spaces, custom cabinetry, and your choice of bed configurations to accommodate up to eight guests overnight comfortably. Plus, this model includes two separate cabin quarters for up to two crew members. Powered by a pair of Man V-12 1600 hp engines, she reaches top speeds of 32 knots. Optionally, you can also opt for pair of Man V12-1900 HP engines.
