SPECIFICATIONS

Overview

This L590 Fly has a dark gray hull, triple 600 HP QSC Cummins with Zeus pod drives. The custom interior was designed by a local interior designer, one of the features is in illuminated quartz galley countertop. RIVIERA II has three staterooms and two heads with the galley up. Both upper and lower helms have twin Raymarine GS 165 large touch screen displays. Additional equipment includes, Seakeeper stabilizer, 21.5 KW Onan generator, swim platform hydraulic marine lift, a retractable electric awning which covers the aft bridge seating, HD 7 Trac Vision satellite system and a Ghost security alarm system, RIVIERA II has all the options. With warranties still in place, this is a great opportunity to purchase an outstanding late model yacht.
