SPECIFICATIONS

Overview

This 19-metre classic salon ship was built at Exquisit Werft Berlin in 1930. She has been refitted in the years 2008 - 2010 and been operated since then as a commercially registered passenger vessel for incentives and private events on Spree River in Berlin. What makes her special is her registration both as a commercial vessel and pleasure craft.

She features a steel hull, aluminium superstructure and teak roof. In 2008 a new Volkswagen Marine 150-5 TDI engine with 150 HP and Phytodrive was installed. The interior is still equipped with original mahogany and partly refitted teak planks. Cleats, porthole frames and deck fittings are still original and from brass. A large cockpit astern, the spacious salon with bar, dinette and access to the bathroom and the foredeck offer room for up to 27 passengers and 2 crew. Helm and galley are located midship.

This classic vessel features a fully equipped galley and separate buffet compartment, so up to 28 passengers or guests can be hosted with a full catering service and 2 crew.

She is also interesting for private use, as she can be easily converted into a houseboat or river cruiser.

Her current owner operates her as an event ship in Berlin and kept this old lady in excellent condition. She is not seagoing, she is designed for rivers and sheltered inshore waters.

Basic Information

Category: Commercial Vessel

Sub Category: Passenger
