SPECIFICATIONS

Overview

This could be one of the nicest Gulfstar 60's to reach the market in the past ten years. She has been refit in every way. New: faux teak on decks!, electric winches, in-boom furling, sails, genset, wiring, canvas, bow thruster, electronics and chartplotters, Standing and running rigging, etc. The Gulfstar 60 cutter is a fast, seaworthy yacht with comfortable accommodations featuring a 4 private stateroom/3 head layout and a large engine room with a Perkins 6-354 diesel engine. Highly varnished joinery, virtually flawless teak and holly cabin soles and beadboard-style headliner complement the interior. The fully air-conditioned interior is bright and airy with many opening hatches. She is seriously for sale and after ten years of enjoyment the owner wants offers.
