Overview

SIRIUS, Contract #448, represents a very special opportunity to own the very last Trumpy ever built. Commissioned by Philadelphia / Palm Beach Financier, astronomer and famed stamp collector, Mr. Henry C. Gibson, as his third Trumpy. Launched as SIRIUS, her successive names were SKUA, BURWAT, and finally BROADWAY before being returned back to SIRIUS by her fifth owner. She has been shed kept on the Chesapeake Bay out of the weather for the past 20 years until recently being purchased by McMillen Yachts (the yachts 7th owner) in Portsmouth, RI. She is well maintained and generally structurally sound, but is in need of a repower, engine room refit and overall refurbishment.
