Overview

FOUR RACES IN USA; FOUR FIRSTS. We have one stock boat available. A Kenny Read, Limited Edition, optimized for racing, tuned for double handed or crew. Offshore and inshore sail inventory. Excellent electronics, race bottom and more. Following a decade or more of performance race boats for single, double handed and around the buoys, the SUNFAST 3300 is setting new standards of regatta podium results combined with ease of handling and fun. She is now here in USA. Two already delivered here in New England. One as shown here in stock. Or order your version for spring 2021 delivery. Result of the collaboration of two renowned architects: Daniel Andrieu and Guillaume Verdier, the new Sun Fast 3300 is an extremely high-performance boat that is easy to sail alone or with a crew. Daniel Andrieu, the naval architect behind the Sun Fast line since its inception, is a proven expert in optimizing for the IRC rating rule, as well as working with the Jeanneau builders to deliver boats of exceptional quality which Jeanneau customers expect. Guillaume Verdier, who is renowned for his work in the America's Cup and Vendee Globe, will bring a mastery of computational fluid dynamics and finite element analysis to this project. Both balanced and versatile, the 3300 is also synonymous with innovation.
