## Overview

---

Twin Yamaha 350hp with 490 hours. The 320CC is unsurpassed as an offshore fishing and boating machine. With 131 square feet in the cockpit, it is spacious enough for friends and family, and the fully finished storage compartments are cleverly tucked away throughout, so storage is never an issue. For anglers this boat is flat-out loaded: an 8-drawer tackle station with stainless steel sink, over 200 gallons of fish box space, a 43 gallon livewell, and plenty of lockable rod storage are just a few of the highlights. The 320CC is also loaded when it comes to style and comfort. Dougherty-designed standards include a padded sun lounge in the bow that converts to a table at the push of a button, and a roomy head with pump out. Like all Everglades boats, the 320CC sports a number of standards that are unique to the boat or available only as options on competitive models, including stainless steel cup holders, rod holders, steering wheel, and oversize pull-up cleats. Attention to detail, it's what Everglades is known for and the 320CC is no exception.
