SPECIFICATIONS

Overview

Great brands - those that make the history of lifestyle and design every day - do not belong to the companies that manage them but to the people who love them, to the fans who dream about them and honour them with their admiration and enthusiasm. This is the key to understanding why Riva has transfused into Aquariva Super all the qualities and timeless charm of the legendary Aquarama, an unforgotten cult boat that is still an object of desire today. Aquariva Super was born because there is a need in the world of yachting, and in the world more generally, for soft and elegant lines, for fine woods (the mahogany deck panelling with maple inlays) and luxurious leather finishes. Naturally, as well as the best things from the past, this outstanding yacht also features state of the art technology, such as the innovative electronically-controlled two speed gearbox, installed on the standard version, which boosts the acceleration of the twin powerful 370 HP Yanmar engines, enabling outstanding performances (with a top speed of 41.5 knots). And while the 10.07 m long and 2.8 m wide hull is no longer built in wood but in Kevlar composites, thanks to technological evolution, the spacious sun pad at the stern is a faithful copy of the one which hosted stars like Brigitte Bardot and Sophia Loren in the past. Past, future, glory, the pleasure of cruising, the thrill of perfection. In two words: Aquariva Super.

Basic Information

Category: cruiser

Sub Category: Open Yacht

Model Year: 2021

Year Built: 2021

Country: Canada

Dimensions

LOA: 33' (10.06mm)

LWL: 27' 7" (8.41mm)
