SPECIFICATIONS

Overview

Designed by Philippe Briand and Jean-Marc Piaton, the new Sun Odyssey 490 successfully combines contemporary style and harmony, all while respecting the heritage of her 27 years. This sailboat from 49 feet has revolutionized cruising: she is the only sailboat in their category to feature movement about the deck without obstacle. For example, the sidedecks are inclined, sloping down to the cockpit floor, meaning that there is no need to step over the coaming! Life onboard has never been so simple and comfortable. Starting Price \$379,500** Recommended retail price. Value-Added Tax is subject to change, according to the country of purchase. For pricing information, availability and product characteristics, contact your local Jeanneau dealer.
