SPECIFICATIONS

Overview

How can you enjoy life at anchor as much as while sailing? With the innovative flared hull design of the Oceanis 40.1, BENETEAU has broken new ground but made no concessions. The result is a hull that has true speed potential and is stiff under sail. Above the waterline, her deck plan and ultra-spacious interior by **Nauta Design** is unheard of on a boat this size. You cannot help feeling that you are aboard a 45 foot cruiser!

With a **walnut or white oak ambiance**, the styling of the interior by Italian designers Nauta, is remarkably bright and excels in the skillful arrangement of the living spaces. She is available with two, three or four cabins and a **C-shaped galley** to the starboard offers an abundance of storage and a spacious countertop. On the port side, there is a large salon with a table complete with a removable bench, and a chart table at the foot of the companionway provides ample working space. Everything is modular, so that everyone can live the way they want and enjoy sailing wherever the wind takes them.
