## Overview

---

New 2020 Leader 9.0. **INSPIRED AND ON TREND**The new Leader 9.0 revisits the concept of the 8.5, a sporty boat with a family friendly spirit, which has been a great success. With her pure, streamlined design inspired by the Leader 10.5, her look is decidedly on trend! Her traditional V-shaped hull was designed by Michaël Peters. Stable and powerful, her hull ensures excellent seakeeping and very secure handling at sea for family cruising or sporty outings. The layout and spatial organization of the Leader 9.0 make her the ideal boat for day trips or weekend cruises. On the exterior, the vast cockpit benefits from a helm station with seating for two, a portside galley and numerous storage options. On the interior, the new Leader 9.0 will delight all those who appreciate full comfort: she features a very large double berth, a salon that also converts into a double berth, a head compartment with a separate shower, a breakfast nook and copious storage. Perfect for family cruising, this new model also features long windows in the hull for an extremely bright interior.
