SPECIFICATIONS

Overview

NEW 2019 Jeanneau NC 695 SPORT. On the heels of the success of the NC Sport 755 and 855, Jeanneau is offering an innovative new model in a trailerable size. The NC Sport 695 features all the essential elements of the line, including: an adventurous look, side door access to a recessed sidedeck, and a spacious aft cockpit. Fishermen will appreciate her many sporting attributes. Paired with an outboard engine, the traditional V-shaped hull is fast and stable under any conditions, with excellent seafaring qualities. In the two-door configuration, the NC Sport 695 is perfectly adapted for fishing. With the sliding glass door aft, well-protected sidedecks and deep cockpit, movement about the deck between the helm and the entirely open cockpit is safe and easy. Offering maximized space on board, she features plenty of room for dedicated fishing equipment (livewell, rod holders, gunwale roller, cutting board, fish well, deck washdown pump...). The single-door configuration favours family cruising, with bench seating located just behind the wheelhouse, sheltered from the wind, and facing a comfortable cockpit saloon. The spacious wheelhouse easily accommodates four people around a retractable table. Whether for fishing, cruising or family outings, this model adapts fully to suit your needs with many possible interior and exterior configurations. Starting at \$65,160* *MSRP base boat without options. For pricing, availability and product information, please contact your Jeanneau dealer.
