SPECIFICATIONS

Overview

Delivered in 2018 by Rossinavi, UTOPIA IV is the harmonious balance of a luxurious superyacht and high-performance sport yacht. Fitted with four MTU 16V 2000 M96L engines that provide power to four Rolls Royce hydro jets, UTOPIA IV effortlessly glides through the water with a cruising speed of 20 knots while achieving impressive top speeds. Considering her size, this performance is quite remarkable.

UTOPIA IV was refit in 2022 with service to all major machinery, the addition of Starlink Internet, and was fully painted. She completed her 5-year survey in March of 2023.
