SPECIFICATIONS

Overview

The Swan 55 (later 57) was a centre cockpit cruising yacht differing from a lot of the other Swan yachts as the model was fairly aimed at the Cruising yachtsman, not the cruiser racer. German Frers design, the Swan 55 still sails very well indeed and is perfect for short hand long distance cruising across the Atlantic and the Pacific. Higher volume allows for the fitting of generator and larger fuel and water with water maker and additional cold and dry storage.
