SPECIFICATIONS

Overview

This new world designed by Beneteau stems from a collaboration between Berret Racoupeau Yacht Design and the Italian stylist Pierrangelo Andreani. The first in the range, the Oceanis Yacht 62 offers the key to a new art of having a wonderful time at sea together. The Oceanis Yacht has that distinctive line recognized by all. She is elegant on the water, encircled with large windows, and her appearance has everything you would expect of an exceptional boat. The Oceanis Yacht 62 has a reassuring design that is balanced and maneuverable, with a chined hull, twin rudders and a perfectly centered sail plan. The incredibly original layout of the Oceanis Yacht 62 is centered on a spacious saloon and separate spaces enjoying great privacy. Bathed in light by huge hull portholes, this luxuriously designed yacht offers noble materials and exclusive woodwork finishes.
