Overview

NEW LISTING! - 2004 Beneteau 423 The very popular Beneteau 423 is a beautiful, accommodating, great performing boat that was designed by the world renowned naval architects, Groupe Finot, and is one of the most popular cruising sailboats ever built by Beneteau. "BRAMASOLE" has spent most of its life in freshwater, and is currently docked in a freshwater marina in Hilton Head, SC. Factory description - "This is a yacht built with her owners' comfort in mind. She may be all strength and performance above, but below decks, she's all light and beauty. Down the companionway steps, you'll discover an imaginative interior design that will delight the most demanding cruising sailor. The hallmark Beneteau joinery work beautifully frames a layout that boasts more storage and light than we've ever produced in a sailboat of this size."
