## Overview

---

Beneteau 42 Center Cockpit magically combines the comfort you expect with the on-the-water confidence you demand. Featuring a striking, classic transom that has never been seen in the Center Cockpit Series, the 42CC is quite appealing to the traditional yachtsman. Her large, fixed dodger will protect you from the elements. The spacious salon and a tremendous amount of storage will accommodate the most active yachting lifestyle. And her cleverly concealed, two-step aft boarding platform will welcome all aboard with style and ease.

Following the Beneteau tradition, the roomy, well lit interior will enchant all who venture below decks. Panoramic overhead deck lights flood her main salon with magical light. Numerous opening ports and hatches assure ample ventilation. Beautifully crafted cherry stained cabinetry completes the image of a comfortable, serene environment where you can simply kick back or entertain with confidence.

The well-appointed galley of the 42CC is complete with standard features, including hot/cold pressure water, electric refrigeration, and enough storage for the most demanding gourmet. At day's end, retire to her luxurious aft master suite with its comfortable centerline berth, built-in dressing table, settees, and large head with a separate shower. You'll wonder why you would want to sleep anywhere else. It's no magic that the 42CC is built to take you anywhere your imagination wants to go. Employing innovative, high-tech processes, and highly trained craftsmen, we construct every yacht to handle whatever the seas demand and provide many years of yachting pleasure. Only Beneteau, the world's leading builder of fine sailing yachts, has the resources to commission leading naval architects like Groupe Finot and translate their visions into truly remarkable yet affordable yachts.

Her inspired design, world-class performance, ease of handling, phenomenal storage, and a long list of standard features make the Beneteau 42 Center Cockpit the obvious choice for any sailor who longs for a carefree yachting lifestyle or bluewater adventure.
