SPECIFICATIONS

Overview

Beautiful, Well-Kept and Repowered Hunter is Ready for Her Next Adventure! Roominess, comfort, sensible layout, and a third stateroom with bunk beds are the calling cards of this Hunter Legend 43. Hunter is known for their roomy salons, natural light, and lovely teak work, and this vessel is no exception. You will find ample stowage aboard and a 6 ft 6 in headroom, so even tall sailors will be comfortable. She is an easy boat to sail, with all running rigging leading back to the cockpit. The spacious, t-shaped cockpit is fitted out with three lockers in addition to two transom lockers. The boat has wheel steering, a lighted compass, wheel brake, gauges, and an engine panel with single-lever control. A sturdy table with drink holders and collapsible leaves adds another level of convenience to the cockpit. A walk-through transom allows direct access to a handy swim platform, making on-off boarding a breeze. This well-appointed boat with a 2000-hour Yanmar turbo 75 HP engine can be yours for a very sensible price. The boat is now in the water with a fresh coat of bottom paint, ready to take you to the Bahamas and beyond!
