SPECIFICATIONS

Overview

Saorsa is an excellent example of the popular Beneteau 361. She is extremely clean, well maintained and well equipped. Saorsa includes a 2013 Yanmar diesel with low hours and will be delivered with a new dodger in the Spring of 2021.

The 361 features a remarkably roomy two-stateroom layout with a full-size galley and a large head with a standalone shower. The in-mast furling main with lines led aft make her easy to sail short-handed, and the roomy cockpit with a walk through transom to a swim platform are great for family cruising. There is minimal exterior teak and all systems are easily accessible, so you'll spend less time maintaining and more time sailing. Now's the time!

Basic Information
