SPECIFICATIONS

Overview

Beachcraft is a three-cabin, two head layout with a lot of comfort options: air conditioning w/ reverse heat, full electronics, classic mast for performance, bimini, dodger, solar panels and more. Her hard chine design hull delivers comfortable and fast sailing. The mainsail arch brings the mast back to the center of the boat and allows for a smaller, easier to tack headsail and at the same time gives you more space in the cockpit. She is a rare example of a boat that spent part of her life in charter service. She has been beautifully maintained and loved by her current owner. If you are looking for a super nice cruising boat at an extremely attractive price...let's talk!

Basic Information

Category: Cruising Sailboat
