SPECIFICATIONS

Overview

In the tradition of Beneteau, the Oceanis 38.1 cleverly combines practical features, performance, and elegance on boat sizes where function generally outweighs personalization. The Oceanis range continues to stand by its desire to offer a wide range of options.

The Oceanis 38.1's chined PEARL GRAY hull offers particularly surprising cruising comfort. Good and taut to aft and low on the water, the rigidity under sail of this cruiser takes her further and faster, with exceptional stability. It is a joy to have two helm stations, a mainsail arch and a huge swim platform on a sailing yacht this size.

For the Italian design team, the challenge was to multiply the living spaces in the saloon and offer greater privacy in the owner cabin, while maintaining the visual perspective that her opening to the bow offered in previous versions.

The new L-shaped galley makes a facing seat saloon arrangement possible. The space has been well optimized to allow eight people to sit around the table.
