SPECIFICATIONS

Overview

Chris Craft made only 51 of these 19 foot white Special Racing Runabouts and there are believed to be only 8 built the blue and white racing design.

Chris Craft felt that this design was the most superb example in their lineup from an ergonomic standpoint given their ability to handle the water. These boats are fun and fast. It received a new no-soak west system bottom making this boat is ready to launch at a moment's notice.

The boat was later compressively restored by well-known, award-winning restorer Jim Murdock of Vintage boats in Bristol Connecticut, and is a shining example of his work and would receive high scores at any boat show. Absolutely exquisite from bow to stern, you will turn heads everywhere you go.
