## Overview

---

Built by the leading Asian shipyard Cheoy Lee, the Global 104 was delivered to her original owner in 2016. She is now traded in by her first owner, a dedicated yachtsman waiting for his third Cheoy Lee yacht now under construction.

The Global 104 is a perfect combination of exquisite style, performance, and interior volume. Featuring a unique layout with on deck master with his and her bathrooms on the same level, a country galley, sizeable salon and formal dining, 5 staterooms total and a spacious Sky Lounge, the Global 104 is perhaps the most voluminous luxury yacht in her size range.

Global 104 built is for serious cruising. She features close to 5000 USG fuel capacity, Atlas electrical system for global traveling, a well appointed air conditioned engine room and comfortable crew quarters aft with proper crew lounge and 3 crew staterooms for up to 5 crew members. She is fully inspected, serviced and has only approximately 350 hours on her CAT C32 ACERT main engines.
