SPECIFICATIONS

Overview

The 51 metre sloop's sumptuous semi-classic interior offers ample space for large families. The interior styling is lightly reminiscent of the historic big class racing yachts, with a general finish of lacquered mahogany and delicate panel detailing on the main walls and cabinetry. Finer detailing is enriched with ebony inlays and burl veneer tops. The main deck salon has windows all-round, providing light to the interior and gives excellent views. With a dining table seating 12, lounge area, a pantry and direct connection to the large exterior cockpit, the salon will be the focal point of the boat.

The crew area is located forward of the mast and houses the galley, crew mess and 4 cabins, sleeping 9 crew. A dedicated crew entrance provides access to the foredeck. The aft deckhouse will be predominantly for crew use and houses the navigation area. While at anchor the aft cockpit can double as an extended owner's area.

The full width owner's stateroom is situated aft with a large double bed directly below a skylight. Further forward along the large central corridor, there are 4 cabins: a VIP, two twins and a double, each with its own dedicated bathroom. The lower deck lounge on portside serves as an entertainment area and incorporates dayhead functionality. The sofa can be converted in order to sleep an additional two persons, which brings the total number of guests to twelve. Please contact us for further details.
