Overview

Meet Moonfleet, this Gemini Legacy 35 has proven to be the most family-friendly performance cruising catamaran in the world. The best qualities of this Legacy 35 are the 2ft 10-inch draft that allows the boat to be pulled up right next to the beach, the 14-foot beam that allows for easy dockage in slips designed for mono-hulls, and the spacious interior of the Moonfleet has more volume than most 40-foot monohulls. Moonfleet is fast, family-friendly, easy to maneuver, and affordable. She is well equipped with all the must-haves to take a long trip. Included are solar panels, generator, air conditioners, water maker, autopilot, and hybrid touch chart plotter with the new 2020 FL/Keys/GA/Bahamas database, she is ready to cruise.
