SPECIFICATIONS

Overview

****Please note that this listing represents a model specification for a new build and not an actual hull for sale. For more information on this model and build availability, please contact us****

The Horizon RP120 superyacht unites the two most desirable traits in the world of superyachts: luxurious living spaces and extraordinary cruising capabilities. Her sleek exterior profile from designer J.C. Espinosa is built atop Horizon's proven low resistance hull platform, which ensures superior seakeeping and comfort when underway. Thanks to her generous 26 feet 2 inch beam and well-appointed accommodations, the RP120 offers voluminous living spaces and owners can choose an on-deck master or situate all staterooms below deck - the layout options are only restricted by your imagination. With a numerous indoor and outdoor amenities and superior performance, the RP120 will provide an unforgettable yachting experience wherever your cruises may take you.
