Since the introduction of the 66E Marlow Explorer at the Miami International Boat Show of 2013, this popular model has been in high demand.

“M/Y Full Moon” is the newest 66E Marlow Explorer to hit the brokerage market and, as you can imagine, she will not be on the market long. The classic lines, attention to detail, superb craftsmanship, and overall beauty of the **Navy-Blue 66E Marlow Explorer** make this yacht one of the most sought-after vessels in its class.

With her ease of operation for a couple, efficiency at slow speeds & fast cruise speeds, seakeeping ability offshore along with her fully protected props & only a 4'10" draft makes “M/Y Full Moon” an extremely versatile cruising platform.

“M/Y Full Moon” has a well-built versatile 66E Command Bridge that provides the ability to cruise in the shallow waters of the Bahamas just as easily as she can provide the comforts of home during extended offshore trips. Her safety, performance, and sea-going ability which has propelled Marlow Yachts to **BEST IN CLASS** certainly shines through in “M/Y Full Moon”.

The proprietary and protected **Velocijet Strut Keels®** are used to great success allowing propeller protection and down sea tracking that has the industries' experts raving. Like feathers on an arrow, these twin tails guide and stabilize the yacht making heavy downwind running a joy.
