SPECIFICATIONS

Overview

This steel motor vessel is quite a gem and not to be overlooked! Historically used as an office on the Potomac in DC, this spacious Custom Kelly Motor Yacht would make a great family live a board or plenty of room as a research ship. Whatever the use, this steel vessel is in overall good condition and would need some cosmetic work to make it your own. The infrastructure of this grand motor yacht is sound and solid. She holds 2 Cummins V-903M diesel engines and a third Cummins 239 CID/3.9L supporting the thrusters. A MUST SEE MOTOR YACHT! Showings by appointment only. Please contact broker for more information.
