SPECIFICATIONS

Overview

Loaded American Tug 362 - order yours today! The latest model offered American Tug. Designed around our popular AT-365, the American Tug 362 is a top quality two-cabin rugged trawler that is capable of handling the unpredictable waters from California to Alaska or the Great Loop and Bahamas with comfort and ease. This boat is fully equipped and ready to cruise. Standard equipment includes generator, bow and stern thrusters, solar panel, full aft overhang, full Garmin electronics package, stern davit and a 320hp Volvo D-4 engine. The layout includes two-staterooms and a salon/galley with settee that converts to a third double berth. This layout offers more accommodations than other boats in its class and is a perfect cruiser for those seeking additional space. Customize your AT-362 - choose your hull color, upholstery, counter tops and carpet colors. We don't just build boats, we build your boat. Warm weather deliveries - air conditioning standard Cold weather deliveries - diesel hydronic heat standard See our 360 photos on the photo tabs above.
