SPECIFICATIONS

Overview

This all-aluminum planing vessel is the result of Baglietto's cooperation with Francesco Paszkowski Design. Featuring a gross tonnage just below 500GT, the 50 SUPERFAST wisely combines the comfort and onboard liveability of a 50-meter yacht with the sportiness and speed of a fast yacht, flawlessly blending style, technology, and functionality. Equipped with triple jets and triple MTUs, the yacht can comfortably cruise at 20 knots, reaching a top speed of 30 knots.
