SPECIFICATIONS

Overview

The already-complete Navetta range has expanded with a tangible expression of generous and open-minded engineering. All of Absolute's best features have been implemented as well as some amazing onboard innovations.

The Navetta 64, The Absolute Pathfinder, like her siblings has 100% Navetta DNA and it easy to see why.

The wide and uninterrupted side-glass window, which runs from the aft mirror to the windshield, outlines her exterior shapes. These are characterized by the significant enlargement of the bow windows and the opening of the side gunwales in the cockpit.
