SPECIFICATIONS

Overview

LANIDA represents the most competitively priced Trinity Tri-Deck MY currently available. Built and maintained to ABS Classification, she features five stateroom layout with on-deck master and four guest staterooms below. Her custom interior features African Makore joinery on the main deck and lighter American Cherry wood below. All of her furnishings and soft goods have been recently updated in neutral tones.

Powered by commercial Caterpillar 3512 main engines, she cruises comfortably at 16 knots with 20 knot top end speed. Her 16,000 gallons of fuel provides for extended range of 4000 miles at displacement speeds.

The vessel received a refit to include new exterior Flag Blue hull paint, new flybridge arch, mast, and hardtop completed in 2022. In 2020/21 she received new Atlas shore power system and electrical distribution panel, new MSD sewage treatment system, new ZF main engine controls, new Spot Zero fresh water system, new A/C chiller and handlers, two new Sea Doo waverunners, and interior refit.

In addition, she features Caterpillar 99KW generators, Quantum stabilizers, American bow thruster, FCI 3500 GPD Watermakers.
